FORWARD

Throughout this Directory, we have tried to provide a reference guide for nearly 100 community resources serving the population of Manistee County. The directory contains a listing of County agencies and includes a description of each individual agency, its purpose and the services offered. It also provides information regarding fees, application procedures, office hours, areas served, and any branch operations or affiliated programs.

The descriptions of services as stated in this directory were obtained from the respective agencies. Although extreme care was taken in the preparation of this Directory, continual changes have made it impossible to eliminate all errors. Agencies listed in the <u>Directory of Community Services</u> -- or desiring to be listed in future editions of the Directory -- are asked to bring any changes, corrections or new program information to the attention of:

STAFF: A. (Toni) Gorch, Magistrate/Court Administrator

Neil Assante, Probation Officer

Kathi Lynn, Chief Deputy/Accounting Clerk

Kathy Schrauben, Clerk Debbie Niesen, Clerk

Kari Rozmarek, Assistant Probation Officer

SERVICES/DUTIES:

85th District Court is a court of record and is a district of the first class. District Court has the authority to hear and rule on misdemeanor cases (where the maximum possible sentence is one year in jail). The district court has exclusive jurisdiction in civil actions when the amount in controversy does not exceed \$25,000.00. The district court has jurisdiction over civil infraction actions. In addition, the court has jurisdiction over landlord tenant disputes and small claims (with damages not to exceed \$5,500.00)

The magistrate performs civil marriage ceremonies and adjudicates informal hearings on civil infraction cases.

The district court performs criminal/civil background searches.

The 85th District Court Probation Department provides adult probation services for offenders over the age of seventeen that are convicted of misdemeanor offenses. A person is granted probation by the presiding judge. Probation is a sentence that allows the offender to reside in their community under the supervision of the probation office. This department provides supervision in Manistee and Benzie counties and has an average case load of approximately 2,000 probationers.

The 85th District Court Probation Department, under the direct supervision of the judge, is committed to the protection of the community through innovative and aggressive monitoring to help reintegrate criminal offenders into society as law abiding productive citizens. The typical term a person is placed on probation for is 6 to 24 months.

The Probation Department believes that "good habits build good people". Our theory of probation is the reinforcing of habits that lead to success in life, and the avoidance of temptations that diminish one's prospects. What we are referring to here are the positive and productive habits, such as remaining sober, doing honest work, meeting one's obligations in life and thereby developing the strength of character necessary to live an ethical life in a free society.

MOVING MICHIGAN FORWARD: MSU EXTENSION'S CONTRIBUTIONS TO A STRONG, VIBRANT FUTURE FOR OUR STATE

MSU Extension, the nation's inaugural Extension system, was built on a foundation of extending the university's knowledge to address real-world issues and opportunities facing Michigan residents. It continues in that vein today, connecting communities, families, young people, natural resource managers, farmers and other business leaders with MSU's cuttingedge knowledge resources to help strengthen the state's economic future.

A new structure is facilitating seamless response and action on important issues facing the state. Campus-based specialists and field-based educators, instructors and program assistants are mobilized under four programming themes via issue-based workgroups and endeavor to anticipate and address Michigan's most pressing opportunities and needs to adapt as those needs and opportunities evolve. Educational programs are centered around four central foci and are being delivered through audience-appropriate means that capitalize on new and emerging technologies and translate research findings from MSU faculty members.

MSU Extension staff members are working in teams to address challenges in these four broad topic areas:

- * Agriculture and Agribusiness: Supporting Michigan's second-largest industry is key to a brighter future. Activities in this arena will emphasize increasing agricultural producer success, supporting food safety, reaching new markets and advancing agriculture through applied reserach.
- * Greening Michigan: Moving toward a sustainable future for our state will require leveraging existing networks of community and economic development leaders, entrepreneurs and visionaries. They'll engage new partnerships to focus on initiatives around responsibly managing Michigan's rich natural and human resources.
- * Health and Nutrition: Increasing Michigan's productivity and reducing healthcare costs will give Michigan residents the tools they need to embrace healthy living. A healthy population is also a sound financial investment for the future.
- * Children and Youth: Ensuring a productive workforce means preparing today's young people to be tomorrow's leaders, entrepreneurs, educators, mentors and skilled employees. Youth programs are empowering youngsters to expand their horizons and lay the foundation for lifetime success.

DEPARTMENT HEAD: Marylynn Wrzesinski, Register

STAFF: Lori Kolanowski, Chief Deputy Register

Jennifer Kirchinger, Deputy

The office of the Register of Deeds is a constitutional office with an elected term of 4 years in length. The duties of the Register of Deeds are defined in MCL565.551.

The Register of Deeds Office is the custodian of land records dating back to the 1800's. The information recorded in the office is available to: Abstract/Title Companies, Credit Bureaus, Banks and other lending institutions to verify information for loans and credit checks. The Register of Deeds collects the Michigan State Transfer Tax and the State Remonumentation fees. The fees charged for recording the documents are set by the State Law and fees collected are transmitted to the Manistee County Treasurer for distribution.

The purpose of the Register of Deeds Office is to maintain recorded proof of property ownership. Without verification of ownership, property cannot be bought or sold. The Register of Deeds oversees the processing, recording, copying and certification of the recorded instruments to ensure the integrity and safekeeping of the information.

The Register of Deeds Office makes all public records accessible to the general public for inspection. The records are indexed in a Grantee/Grantor format and are available on computer from August 9, 1991 forward. The information from this time period can be accessed through the Tapestry Program that is linked on the Register of Deeds Office. Finance Statements filed prior to July 1, 2001 are located here.

As stated in the Subdivision Control Act 288 of 1967, the Register of Deeds serves as Chair of the County Plat Board. The Plat Board reviews proposed subdivision plats prior to their submission to the State. Other members of the board include the County Clerk and County Treasurer.

The Register of Deeds Office is an acceptance agent for processing US passport applications. The office will accept applications Monday and Tuesday between the hours of 8:30 A.M. and noon, and 1:00 P.M. until 3:30 P.M. Appointments may be made by calling the office.

Recording of documents can be done in person or by mail with sufficient fees enclosed.

A fee schedule is available on our website, manisteecountymi.gov, Office of the Register of Deeds.

The Alliance for Economic Success (AES) is an economic development organization servicing Manistee County and the surrounding areas. AES defines economic development as "activities that lead to the improvement of economic well-being and quality of life."

As a full-service economic development organization, AES works collaboratively with all businesses, governments and community organizations. Assistance is available for all business sectors (industry, service, small and medium businesses, agriculture, etc.), municipalities and community organizations to support and promote activities that drive economic growth, while balancing and preserving quality of life.

AES provides expansion and site location services, small business planning services, diagnostic assessments and recommendations for small to medium sized businesses, access to local, state and federal incentives and assistance, liaison service to government offices and provides neutral third-party convener and facilitation services to support the development of necessary infrastructure and a strong business friendly community.

City Council meets the first and third Tuesday of each month at 7:00 P.M. in the Council Chambers at City Hall. Notice of Council meetings are posted on the bulletin board in the lobby of City Hall and outside the Police Department. The Council Chambers may be accessed through the doors off Water Street. Handicap access is available through the door on the west side of the building. The Council meetings are taped and telecast on MPA-TV Channel 189 & 190 and can be viewed online at www.manisteetv.org.

Residents are encouraged to attend City Council meetings. Citizens also have an opportunity to address the Council as part of each meeting during citizen comment time. Citizens may contact Council members through their mailbox at City Hall.

Throughout the year the City Council holds regular work sessions on the second Tuesday of each month. The work sessions give Council members the opportunity to discuss and review City issues. Work sessions are held at 7:00 P.M. in Council Chambers at City Hall. Notices of Council work sessions are posted on the bulletin board in the lobby at City Hall and outside the Police Department.
